Dear Parents,

Greetings from Central Marin Soccer Club! As you know, tryouts are on their way and we need your help. We have an ambitious agenda planned for 2009 and there are many different opportunities for our kids to learn and grow in the great game of soccer. We definitely have a plan in mind of where we, as a unit, would like to end up, but there are still many action steps that have to happen between then and now.

In order to make these plans a reality, we're going to need some help. And as I say this, I am totally aware of how busy families are. Therefore, we have done our best to make our volunteer needs specific, concrete, and short. We will remember this throughout the year and only ask of your time when absolutely necessary.

Here's what we need as of right now:

1. Volunteer task #1- Parents to help prepare tryout mailings – need 3-4 people for 3-4 hours. This can be done at home. We will provide you with all the ingredients – just need your label and mailing skills. The mailing must be in the mail by 2/10, you can you pick up the materials or drop them off. Please just let us know if you are interested as soon as you can. Email [rbertiglia@comcast.net](mailto:rbertiglia@comcast.net).
2. Volunteer task #2- Parents to help out with registering our players during tryouts. We need 2-3 parents for each age group. Please visit the club website for age group tryout times -- <http://www.centralmarinsoccer.com/registration/default.htm>
3. Volunteer task #3- Parents to help with the tryout process overall. Need someone to order and pick up food for the trainers... you will be reimbursed.
4. Volunteer task #4- Fundraising for scholarships – this is a more nebulous task, but we are looking for several go getter types who can help us raise some additional monies to cover scholarships for those kids who want to play but for which the fees are a serious hardship.
5. More Volunteer tasks to come!!!!!!!!!!!!!!

As you can see, these are all important components of our overall goal. With a small commitment from everyone, we will easily accomplish what we set out to do. Remember this is you and your son's/daughter's experience. Every adult volunteer has something valuable to offer. I am confident you will find the experience to be rewarding and fulfilling.

I am looking forward to getting to know all you much better and discovering all of the incredible talents that this group possesses. It never ceases to amaze me how much can get done in a year from just a few small commitments from everybody. In the end, our kids are the big winners when we all come together in this one purpose.

Please contact Colleen Bertiglia or Steven Sosa to help prepare for the upcoming season.
